

Format for Calling
The Central Virginia 6-Meter SSB Net

~1~

Good morning, this is _____, Net Control Station for the Central Virginia 6 Meter SSB Net, opening our regularly scheduled _____ morning directed Net.

I will pause for any station with emergency traffic.

This Net is a directed net, open to all licensed amateurs. You do not need to be a member to check into the Net.

This Net is held daily from **8:00AM** to **9:00AM** local time.

The purpose of this Net is to promote Amateur Radio, provide information of interest for the Net, and rag chew.

The check in of stations will be called for during the Net.

When checking in, **please give your call sign phonetically**, and if you have information for the Net or need to make contact with a station, list the request when you check into the Net.

Stations needing an early close, please state the time for your early close when checking in, such as "early close 20, etc." If you indicate "**In and Out**," you will not be called on for comments. However, we do appreciate your support of our Net.

At this time, I would like to call for Net Members only. Visitors please stand by until visitors are called for. **Net Members 1 through 5**, please check in, giving your number and call sign phonetically. **Net Members 6 through 10; Net Members 11 through 15; Net Members 16 through 20; Net Members 21 through 25; Net Members 26 through 30; Net Members 31 through 35; Net Members 36 through 40; Net Members 40 through 47; Net Members 48 through 56.**

At this time, I would like to call for Net visitors. Please check in, spacing your call-ins.

Call stations with early close requests for comments. Call on stations that have listed information or have made requests to contact another station.

Call on stations for comments.

After all comments are made, please remind listeners of our web site URL address

"Remember, if you would like to learn more about our net and it's members, we invite you to visit us on the web at www.50215.net that's WWW (dot) Five-Zero-Two-One-Five (dot) NET"

~2~

Open the Swap Net.

At this time, I would like to open the Swap Net portion of our Net.

The purpose of the Swap Net is to allow the listing of both new and used amateur equipment for sale. The listing of non-amateur items is prohibited as well as any third party listings are not permitted. But the listing of the third party "wants" if OK. You may not conclude a sale or purchase during this Net. Please consummate your sale by phone or e-mail.

When called, please give your call sign, the item for sale, price, and a contact phone number or e-mail address. Please have your information ready and concise.

At this time I would like to call for check-ins for the Swap Net. Anyone wishing to list items for the Swap Net, call giving your call sign only. (Then call for those stations.)

After the Swap Net, time permitting, put the Net in free time until closing at 9:00 AM.

I would like to thank those stations that checked in this morning, and I welcome you and those who may be listening to join us again tomorrow morning at **8:00 AM** for the next Central Virginia 6 Meter SSB Net.

At this time, the frequency is returned to normal amateur service. 73,_____.
